Save the
environment!
Use recycled fuel!

Here at Hazleton Oil
& Environmental,
WE DO THINGS
RIGHT!

- On-Spec waste oil
- This oil is treated, filtered and tested to ensure it is at the best quality for you
- We will produce an analytical for any and every load that is delivered
- The #5 fuel is used only for industrial and commercial applications
 - ~ A special permit may be required
- Hazleton Oil & Environmental delivers from 250 to over 1 million gallons per year for our customers
